

## Child friendly Child Protection and Safeguarding Policy

### What is Child Protection about?

All adults around you think your health, safety and welfare are very important. In our school we respect you and help to protect their rights. We do our best to help you make good educational progress. We teach you how to recognise the risks in different situations and how to protect yourself and stay safe.

### What will we do?

We will always try to provide a safe environment for you to learn.

We want to make sure that you and all your friends remain safe, at home as well as school.

We believe it is important that you know where to get help from if they are worried or unhappy about something.

### If you need to talk – we will ALWAYS listen!

You can talk to any adult in school.

You have the right to feel safe and happy.

Don't keep sad feelings to yourself – tell someone!

Don't keep a secret, share how you are feeling and we will help.
