

Funding for Primary Schools - PE and Sports

The government is providing an extra £150 million of annual funding for the academic years of 2013 to 2014, and 2014 to 2015. The aim of this funding is to improve the Physical Education (PE) and Sports programs offered by primary schools, and is provided jointly by various governmental departments, including Education, Health and Culture, and Media and Sport. Although the funding will be allocated to primary school head teachers, it will be 'ring fenced' – this means it can only be spent specifically on PE and sport in schools.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, though how they do this remains their decision.

This is how St Willibrord's plans to use the funding:

Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE

Paying for professional development opportunities for teachers in PE and sport

Providing cover to release primary teachers for professional development in PE and sport

Running sport competitions, or increasing pupils' participation in the School Games

Buying quality-assured professional development modules or materials for PE and sport

Providing places for pupils on after school sports clubs and holiday clubs

Accountability

From September 2013, schools will be held to account for how they spend their additional 'ring-fenced' funding. Ofsted will strengthen the coverage of PE and sport within the 'Inspectors' handbook' and supporting guidance so that both schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision.

One year on, Ofsted will carry out a survey reporting on the first year's expenditure of additional funding and its impact. Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

Primary PE Grant Report

Primary PE Sport Grant Awarded			
Total number of pupils on role		252	
Lump sum		£8000.00	
Amount SG received per pupil		£35.40	
Total amount of PPSG		£8920.00	
Objectives <ul style="list-style-type: none"> To raise the profile of PE within the school To improve pupil participation levels in PE To ensure high quality provision of PE throughout school. 		Success criteria <ul style="list-style-type: none"> Improved pupil participation in PE Improve sports provision after school Improved staff expertise 	
Curriculum PE			
Resource	Cost	Action	Success criteria
PE specialist (Mr Cross)	£1,265	PE specialist to deliver games program to KS2. Work With SL to develop Games over view for KS2	To deliver games curriculum to KS2. Ensure children (KS2) have access to high quality games.
